SERVICE RUNS DEEP

In Business Since 1886. Spanning Five Generations of Craftsmen

Travis Industries is the top provider of Industrial Painting & Protective Coating, Abrasive Blasting & Industrial Cleaning, Scaffolding, Industrial Insulation, and Intumescent Fireproofing services throughout Texas and Oklahoma

The Travis family of painting contractors is a long-standing member of the construction and contracting community in San Antonio. We are a family business and have been since 1886, spanning five generations of craftsmen who hold our employees and our work to exacting standards. We cover both San Antonio and the Dallas Ft. Worth market, but at the core of our business the same commitment to quality that we launched with in 1886 remains.

OUR MISSION is to serve our Customers as a leading value Specialty Contractor, always mindful of our need to deliver results by working safely, creating practical and cost-efficient solutions, and maintaining outstanding service quality and reliability. We are dedicated to serving the commercial and industrial communities in which we operate, and will always work toward building trust, promoting communication, and developing relationships by listening to and focusing on the need of our Customer.

EXCEPTIONAL WORK FROM FRIENDLY FOLKS

Servicing All of Texas and Oklahoma

Painting & Protective Coatings

We can handle plant and facility maintenance, new and old equipment coatings, rehabilitation, commercial & industrial floor coating, architectural painting and much more.

Abrasive Blasting & Industrial Cleaning

Whether you need surface preparation for painting and protective coatings, concrete or masonry cleaning and finishing, metal cleaning and finishing, removal of hazardous materials, and high- and low-pressure water cleaning processes, we can do it.

Scaffolding

We offer scaffold design, delivery, erection, maintenance, and dismantle services. Whether for capital or new construction, maintenance, or outage & turnaround applications, we are your one stop shop.

Industrial Insulation

Whether your goal is to control energy and operating costs, maintain performance of thermal or cryogenic (hot/cold) mechanical systems, improving safety, controlling corrosion under insulation (CUI), pursuing freeze protection, or trying to reduce noise, our team is ready to help you.

Intumescent Fireproofing

We are a certified applicator for a variety of intumescent fireproofing product manufacturers, and have the equipment and expertise to apply those products via hand trowel, single-stage ram pump spray, or heated plural component pump spray. Whether for commercial (thin-film) or industrial (fabric reinforced, high-build) applications that are performed either in our facilities or yours.

Shop Services

Travis Industries operates two (2) shop coating operations located in San Antonio and Mansfield, Texas, offering a wide variety of metal cleaning, finishing, coating, lining and fireproofing solutions for the fabrication or manufacturing Customer.

Additional Services

Many Facility Owners are seeking a single-source Specialty Contractor that can meet a variety of needs. In addition to the above, we offer services like abatement of lead containing paint, concrete repair & resurfacing, containment or weatherization construction, industrial sliding installation & repair, and general labor support.
